

## Confirmation of Conformity with Directive 2011/65/EU (RoHS)

Dear business partner,

We hereby confirm that Equipment, parts and components supplied by ITW Welding are in accordance with the Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS) in its valid version.

This includes the exemptions as described in Annex III, section 6 of the above directive.

All CE-marked products meant for the EU market meet these requirements without exception.

This is also indicated on the declaration of conformity as included in the user manual of the product.

If you have any questions about the above mentioned, please do not hesitate to contact us.
